EXPERIENCE

Tim Fitz Bio Art

Board Certified Medical Illustrator

05.2014 - Present

- Accurately creates illustrations of medical and scientific concepts for papers, presentations, infographics, patient education, and trial graphics.
- Uses reference materials such as research articles, medical records, and medical films.

ZS Associates

Senior User Experience Designer

04.2022 - Present

- Gathers business rules and requirements from clients.
- Creates personas and user flows to better understand clients' perspectives.
- Designs interactive mockup prototypes to aid in storytelling and demonstrate UI functionality.
- Uses interactive prototypes for internal and external (client) presentations.

Fynn.io, Galerie Technology

User Experience Designer

12.2019 - 04.2022

- Generates and presents workflow/UI mockups from user requirements.
- Assists with researching and prototyping HTML/CSS code solutions.
- Supports development team with general product testing.
- Acted as temporary Product Owner from January-February 2022.

Greenway Health

Associate Visual Designer (UI / UX)

04.2015 - 09.2019

- Member of the UI Design Team; conceptualized look & feel of app components.
- Created and implemented mockups through HTML5/CSS3 code.
- Coded for mobile and desktop healthcare-management products.

University of Rochester, Center for Neural Development & Disease

Medical and Scientific Illustrator

09.2013 - 05.2014

- Created scientific illustrations for use in print and presentations.
- Worked with Gelbard Research Lab; their lab researches on HIV-associated neurocognitive disorders (HAND).

Rochester Institute of Technology, Medical Illustration Department

Graduate Assistant

09.2012 - 05.2014

- Assisted professors in the human gross anatomy in the cadaver lab.
- Assisted students using Autodesk Maya software.
- Assisted students writing HTML/CSS code for personal websites.

A.D.A.M. Education, Education and Marketing Department

Graphic Design Intern

06.2013 - 08.2013

- Designed solutions for posters and other assorted printed collateral.
- HTML-coded templates for emails, newsletters, and landing pages.

Nucleus Medical Media

Production Assistant

09.2012 - 05.2014

- Printed, laminated, and shipped custom artwork to clients.
- Modified digital files for database cataloging and internet publishing.
- Fulfilled orders requiring minor edits to pre-existing medical art.
- Managed time well to complete all orders and meet all deadlines.
